

The Linekin Bay *Resort Experience*

Maine living. It's magical.
Always has been. Always will be.

Cruising, circa 1930s

Making a splash, circa 1930s

Bathing, circa 1920s

Smell the salt air and watch the seagulls as the sun rises.

Sail, fish, or kayak. Then walk to the general store for your coffee and newspaper. Relax as you wander a nature trail. Take the grandkids to the pool or playground, have an ice cream, and explore the tidal pools. Soon it's time to kick back with a good book before heading to the water's edge bar for a sunset cocktail. *Every day can be just what you want it to be at Linekin Bay Resort.*

For three generations, the Branch family has welcomed visitors to their special paradise. It is this tradition of hospitality that inspired the development of the new Linekin Bay Resort community. As the physical amenities are updated to match today's relaxed resort lifestyle, the Branch family's enthusiasm for sailing and enjoying coastal Maine remains strong.

Enjoy life as it should be ... *endlessly experiential.*
